God of war collection volume 2 u.s.a.Q: QlikView - Automate the drag of the selected items to the right side of the List box In this QlikView sample I would like to automatically drag and drop the selected items (ie. products) to the right side of the selected list box. Please let me know if this can be done in QlikView. A: Since this is quite a complex task, I wrote a script. It automates the task, but it is less easy to use and I found a few bugs. If you want to know about them, please contact me. Q: list of elements in array I have an array arr1 = ['p1','p2','p3','p4','p
