

It tells the story of ex-Dallas Cowboys player Dexter Manley and his turbulent relationship with his son, Dexter Jr. It won several awards and had its US premiere at the Telluride Film Festival. Plot Dexter Manley Sr. (Sean Penn), a former football player who suffers from alcoholism and physical ailments, is given a liver transplant. As a result of his new liver, Dexter is able to have a child, Dexter Jr. (Jaden Sasser). After Dexter gets released from the hospital, he begins attending AA meetings, but he does not get clean, and he returns to drinking. Dexter Sr. suffers a relapse and is re-hospitalized. When he comes home from the hospital, he tells Dexter Jr. that he is not his biological father and that Dexter Jr. was adopted by the Manleys. Dexter Jr. is upset about this revelation. Dexter Sr. goes to bed and then decides to take a shower. During his shower, he feels a pain in his chest. He exits the shower and collapses. Dexter Sr.'s eyes roll back in his head, and he dies from a heart attack. Dexter Jr. becomes angry and ashamed that he was lied to about his father's death and he also becomes afraid that his father might be "resurrected". Dexter Jr. leaves his father's house and stays at a homeless shelter. After he has been in the shelter for six months, his mother becomes sick and is rushed to the hospital. Dexter Jr. runs away and decides to leave his home and find his father's grave and find out if he is really dead. He goes to church and finds a cemetery, but he does not recognize his father's name. After the priest is finished, the gravedigger digs up Dexter Sr.'s grave. Dexter Jr. sees his father, but is unable to cry, so he silently walks away. After an unsuccessful attempt to see his mother, Dexter Jr. goes back to the cemetery and meets up with his friend, Bill, and they go to a bar. After they are finished drinking, Dexter Jr. buys some cocaine, but the cocaine is laced with rat poison. Dexter Jr. takes the cocaine, but he does not feel good. The next day, Dexter Jr. feels dizzy and throws up, and he has a nosebleed. Dexter Jr. takes his father's hunting rifle and returns to the cemetery, where he shoots and kills Dexter Sr. Dexter Jr. leaves the cemetery

A Mighty Heart is a gripping biopic about one of the founding events of the War on Terror; kidnapping of American journalist Daniel Pearl. Based on . After the events of September 11, 2001 and the subsequent terrorist attacks in the United States, the United States began to look for an answer to the question: what is happening in the Islamic world and how to counter it? It all started with the events in Kuwait, when a terrorist armed with a pistol and a knife attacked American tourists in a hotel, he demanded to give him a "map of the Pentagon base." The Americans were confused, they did not understand who was in front of them, could it be Al-Qaeda terrorists? fffad4f19a
