It is a reboot of the EA NHL series, the third entry in the NHL series after NHL 2K5 and NHL 2K7, and the first since EA Sports' NHL 2005 to feature the NHLPA logo. The game was released on November 16, 2011, for the

PlayStation 3, Xbox 360, and Windows. NHL 12 was released for the Xbox 360, PlayStation 3, and Windows on September 7, 2012. The game featured new features such as Fight Cards, Face-Off, Zones, and Skills, and was the first NHL game released on the Xbox 360 and PlayStation 3 to feature Kinect. The game was also the first NHL game released on the PC, and the first NHL game to feature a mode based on the NHL and NHLPA's collective bargaining agreement, with its name being NHLPA 12. The game has also received several updates and patches in its year of release and a sequel, NHL 13, was released in September 2013. Contents Gameplay NHL 12 features 11 teams, and includes 32 modes. It features full motion simulation and a variety of new gameplay elements such as Face-Off and Zones, which allowed players to get the puck to the front of the net before the opponents defense got there. The game featured a brand new HUD, with a new energy meter and a new shoot-to-pass button. The puck no longer automatically moves to the center of the screen when a shot is taken. Instead, players can manually choose to shoot or pass. It is also the first NHL game since EA Sports' NHL 2005 to feature the NHLPA logo on the game's main menu. NHL 12 is the first game in the NHL series to feature an NHLPA mode, which allows players to recreate a game day in the NHLPA offices, and includes an actual NHLPA logo. NHLPA12 Fight Cards NHL 12 introduced Fight Cards, a new feature which allows players to evaluate who they should be fighting and who they should be avoiding during the game. A player's success on the ice can affect Fight Cards, with more Fight Cards earned for games with a higher number of face-offs won, more successful breakouts, and more goals. As Fight Cards increase, they become more likely to award a penalty, and more likely to award additional PIMs and game misconducts. Skills Skills include the shot meter (which increases the number of shots
